

Disclaimers on the Plan Bay Area Transportation Project list – draft

- Draft list includes
 - 2009 RTP projects
 - Project submittals from public agencies
 - Project submittals from members of the public.
- After consulting with project sponsors some projects may need to be moved to different categories and redundancies that will be addressed.
- Project without dollar amounts are generally represented in categorical amounts or are unknown.
- Details about the amounts for categories Bicycle and Pedestrian Expansion, Enhancements and Facilities is attached and represented as the SCTA amount in those categories.
- Some categorical amounts are yet to be determined (e.g. MTC and public agencies will develop total amounts for Operations & Maintenance for transit and roads).
- If a project is not capacity increasing it is likely to be eligible for inclusion in a programmatic category.
